AUDRE LORDE - THE BERLIN YEARS 1984 TO 1992

*Dagmar Schultz, 2012, 84 min*

2012 marks the 20th anniversary of Audre Lorde’s passing, the acclaimed Black feminist lesbian poet and activist. *Audre Lorde - The Berlin Years 1984 to 1992* explores a little-known chapter of the writer’s prolific life, a period in which she helped ignite the Afro-German Movement and made lasting contributions to the German political and cultural scene before and after the fall of the Berlin Wall and the German reunification. Lorde mentored and encouraged Black German women to assert their identities, rights and culture in a society that isolated and silenced them, while challenging white German women to acknowledge their white privilege. This documentary contains previously unreleased audiovisual material from director Dagmar Schultz’s personal archive, showing Lorde on and off stage. With testimony from Lorde’s colleagues, students and friends, this film documents Lorde’s lasting legacy in Germany.
